### Designer's Comments

**PL Dawkins 62**, a sail-assisted 62' Passagemaker Lite for NZ/Dallan builder Kiwi Marine. The new ketch-rigged 62' aluminum Passagemaker Lite is for ocean crossing with French canal capability. Her sailing rig is designed to be folded down by the owner and kept aboard during canal cruising. Owner's suite forward, twin en-suite guest cabins aft under the boat deck. Galley, dining area midships. Raised pilothouse with direct flying bridge access.
